Quite Small Afterall

Volkswagen and ASMALLMAGAZINE hosted an intimate dinner at Bobo with a pastiche of old and newfound friends, all gathered to fete designers **Andy Spade**, **Maria Cornejo**, **Antony Todd** and **Alice Temperley**. From the first pass of a Double Cross cocktail to the last bite of creamsicle panna cotta, ASMALLWORLD's famed interconnectedness ran through the crowd like a current. The **threesasFOUR** trio showed up with close friend, **Bjork** (prompting **Kiera Chaplin** to whisper, "Where's her swan?"); **Gabi Asfour** was there to applaud the "way beyond" talent of friend **Andy Spade**; and Spade, in spite of "hating men's jewelry – I don't even wear my wedding ring!" was seen sporting a fluorescent pink roll of tape around his wrist ("I'm starting a new trend.") Between bites of ahi tuna and seared scallops, **Natasha Royt** (fresh off styling Steven Meisel's shoot for Padma Lakshmi's new jewelry campaign) caught up with **Waris Ahluwalia**, **Eugenia Gonzalez** and **Valerie Boster** reminisced about their initial Bobo bonding two winters past, and **Antony Todd** (cozy amongst loved ones, including **Ann Dexter Jones** and **Robert Burke**) revealed his seduction secret to **Lauren Goodman**: "I've been wearing Penhaligon's Blenheim Bouquet for 30 years-I'll probably die with it on!" Playful spirits kicked up a notch after dinner, as Jamaica-bound Temperley pretended to apply lipstick onto **Lars von Bennisgen**, across the table from **Derek Blasberg** and **Sabine Heller**, who were comparing pictures of their adorable dogs, Monster and Augie. Amongst the candlelight, we also spotted **Horacio Silva**, **Cynthia Rowley**, **Meredith Melling Burke** and **Sylvana Soto-Ward**, **Poppy Delevigne**, **Julia Restoin-Roitfield** and **Veronica Webb**.
